Caos creative

“Bisogna avere ancora un caos dentro di sé per generare una stella danzante.”

Abbiamo fatto nostro il pensiero di Nietzsche e l'abbiamo messo in pratica. Le nostre idee si sono incontrate e scontrate, fuse e confuse, formate e trasformate per dare vita a oggetti, luci e complementi che potessero entrare in piena armonia con i vostri spazi.

“One must still have chaos in oneself to be able to give birth to a dancing star.”

We have embraced the spirit of Nietzsche's quote and have put it into practice. Our ideas have met and clashed, blended and blurred, been formed and transformed to give birth to objects, lights and complementary furniture capable of entering your spaces in perfect harmony.
